Dear _____

CONFIRMATION OF YOUR PARTICIPATION IN ICP 2012

Thank you for registering as a delegate for the next ICP to be held at the Cape Town International Convention Centre, 22-27 July 2012.

Held under the auspices of the International Union of Psychological Science (IUPsyS), the 30th ICP is organised by the National Research Foundation of South Africa and the Psychological Society of South Africa, with the involvement of most universities in South Africa and the psychological associations of Botswana, Mozambique, Namibia and Zimbabwe. As you know, IUPsyS is a member union of the International Council on Science (ICSU) and subscribes to the principle of the free circulation of scientists, as does the Republic of South Africa.

Under the theme *Psychology Serving Humanity*, the Congress will showcase new frontiers of psychological science and practice as a means of improving, developing and enriching human life. The International Congress of Psychology is the flagship event in scientific psychology internationally and is only held once every four years. This is the first time for ICP to be held on the African continent. The Opening Ceremony on the evening of 22 July will include the UN High Commissioner for Human Rights (Dr Navi Pillay), Nobel Laureate Archbishop Emeritus Desmond Tutu, the Presidency and various Ministers of the Government of the Republic of South Africa, the leadership of IUPsyS, IAAP and various other international, regional and national psychology organisations.
